Capt. J. D. Johnston.
To All Whom it May Concern—I take great pleasure in testifying to the efficient qualities of the popular remedy for eruptions of the skin known as P. P. P. (Prickly Ash, Poke Root and Potassium). I suffered several years with an unsightly and disagreeable eruption on my face, and tried various remedies to remove it, none of which accomplished the object, until this valuable preparation was resorted to. After taking three bottles, in accordance with directions, I am now entirely cured.

To the Ladies.
There are thousands of ladies throughout the country whose systems are poisoned, and whose blood is in an impure condition from the absorption of impure matter, due to menstrual irregularities. This class are peculiarly benefited by the wonderful tonic and blood-cleansing properties of Prickly Ash, Poke Root and Potassium (P. P. P.). Roses and bounding health take the place of the sickly look, the lost color the general wreck of the system by the use of Prickly Ash, Poke Root and Potassium, as hosts of females will testify, and many certificates are in possession of the Company, which they have promised not to publish, and all prove P. P. P. a blessing to womankind.
